# WORLDWIDE DOOR TO DOOR RELOCATION SERVICES

# THE RELOCATION PLANNER

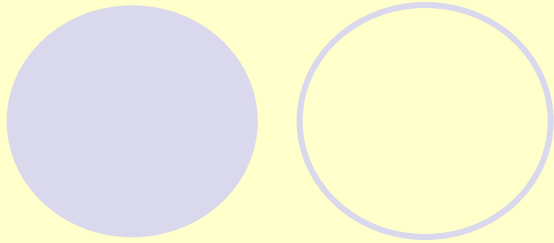

- This relocation planner will assist you in your move.
- Go through the whole presentation and be guided step by step.

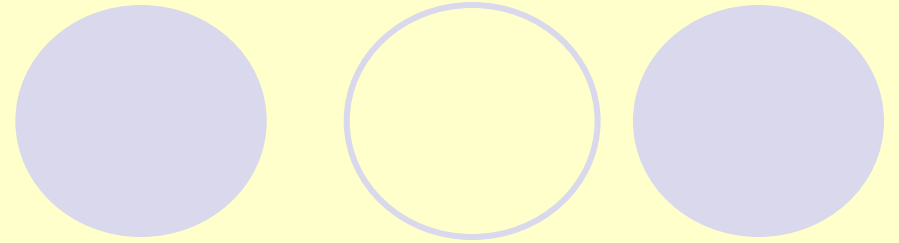

Step by step moving process

# 1. Preparing for a pre move survey

- Identify items you intend to send by sea or air or for storage.
- Colour labeled them if possible.

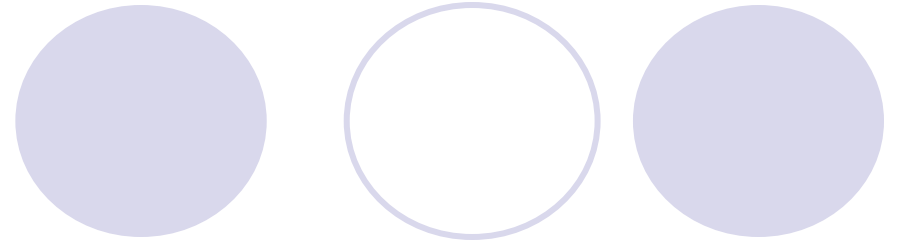

- **Identify items you wish to discard.**
- **Identify items not to be moved.**

Maybe an old cabinet

**During survey:**

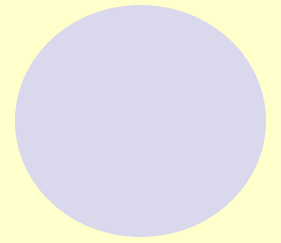

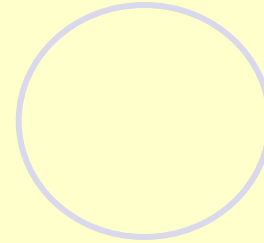

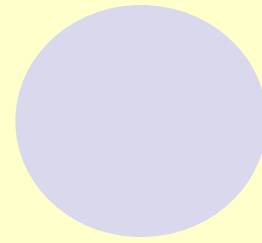

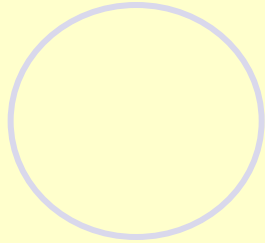

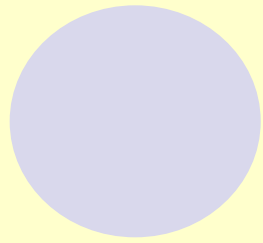

- **Walk through room by room with the Surveyor**

# Even in a house like this ?

- **Alert Surveyor of any items that were previously damaged or repaired.**
- **Also identify any items of special concern and or any items that may have posed problems during your previous move.**

# After survey

- **Within the week, advise your Surveyor of any items that you may wish to add or reduce.**

## 2. The Quotations.....

In your selection process:

- Consider hidden charges.
- Consider the relevant service given.
- Compare apples with apples.
- Reputation of company.
- Service given by Sales person.

# 3. Evaluation Completed – CONFIRMATION !!!

- Complete acceptance form.
- Fax it back to us.

Once we receive your confirmation, we will contact you to arrange for packing and removal dates. Customs forms and other relevant documents will be forwarded to you and our staff would be more than happy to assist you to fill up the forms.

But then things do happen.....
